

Phi Sigma News Letter

Fall 2016

Introduction

Alumni of Phi Sigma my name is Kevin Grant, pledge nickname "Little Bear". I was elected Vice President for the current semester. I was a pledge for the spring of 2016 Delta Beta class. I look forward to seeing those of you I have already met, and for the opportunity to meet so many more of you at our anniversary and homecoming celebration this October. As Phi Sigma actives, we greatly appreciate the amount of support we have been receiving from all our alumni. All the encouragement and knowledge has motivated and helped us in our quest to reestablish the oldest fraternity in Wisconsin to the level it once was, and to the level we know it can become.

Status Update

The Phi Sigma house has been moved to a new location closer to campus, 435 Southwest Rd. We currently have 6 members, 3 of which are living in the house, as we are in the process of our 2016 fall rush. Our rush events have been a success as far as meeting new people, and having fun doing so. As of now we have approximately 8 potential pledges and we are always actively recruiting more. Our goal is to triple our current numbers for next semester. Rush; along with the 150th homecoming celebration have been our two main focuses for the last few months.

150th Homcoming Celebration

The 150th anniversary will be taking place the weekend of October 15th. The event will be held at the 435 Southwest house. As actives we are honored to have the opportunity to celebrate this with all of you. We have dedicated a large amount of time and effort to plan a celebration worthy of its name. Any alumni are welcome to stop by the house on Friday any time after 6pm.

The schedule for Saturday will go as follows:
